### Bow Sales Begin!

Saturdays and Mondays  
Beginning November 7th

Dear Members,

Hope you are all well and staying safe.

As we approach the end the 2020 calendar year, masks, social distancing, hand sanitizers and staying 6ft apart are the buzz words these last months. For now, it is trying to do the best we can and going with the flow as we certainly cannot swim against it. Even though we are not meeting in person, there are still so many things that we can do to beautify, conserve, educate and give back to our community.

We have our upcoming Fall Fling on Nov. 12th hosted by the Done In A Day Committee! They have been hard at work organizing this event with wonderful special guests. This is one event you do not want to miss!

Our Community Service is starting up again with calls for items to donate.

We are starting a couple of new projects at the Skidaway Farms; planting a pollinator garden, and planting a vegetable garden for the purpose of donating the produce to the Emmaus House which serves the homeless population in Savannah.

Our Bow Sales are off to a great start thanks to all the hard work of both our Ways and Means committees. The proceeds from the sale of the ribbons support our many charitable community projects.

Sometimes, I feel powerless in these uncertain times, but I also know that I am not helpless. It is the little things that we do that can make a big difference.

# Community Service

## Submitted by Joy Howard

Even through these Covid times, we can continue to collect and distribute items to our three chosen local agencies that provide much needed services to our community.

**Georgia Regional Hospital** on Eisenhower Drive is a state-funded facility that provides 24-hour care to mentally ill individuals with developmental disabilities. The hotel toiletries we collected on our travels (back in the day) are used as incentives and gifts for the residents, so please donate unused soaps, lotions, shampoos, etc.

**The Ronald McDonald House**, within walking distance of both Savannah area hospitals, is a home away from home for families faced with a child's medical crisis. We will continue to support the Ronald McDonald House with our collection of pop-tabs, helping them to raise an average of \$6,000 each year. (Remember those pet food cans have pop-tabs.) We also share our travel size toiletries with these families.

### AND

If you want to do a little extra, they are currently in very short supply of to-go coffee cups and individually packaged cereals.

**The Humane Society of Greater Savannah** benefits greatly from our donation of pillowcases, towels, sheets and blankets for their low-cost spay and neuter clinic. If you have any of these items that are no longer serving your purpose, please donate them so they can find a new life comforting pets.

You may drop-off your donations at Hannah Burtnik's @ 5 Pennefeather Lane or Joy Howard's @ 1 She Crab Circle.

Thank You!
